

HIDDEN VALLEY: *Culture*

The culture that we enjoy at Hidden Valley Worship Center is based on **EXCELLENCE**; because we believe everything we do for our King should be done with all our hearts and abilities. Excellence is living with a 'No Limits' mindset, pursuing liberty, and going the extra mile in every way to possess an outstanding quality.

Next is **SERVICE**; because you are so important to God and us, we want to serve you in any way we can, with the same attitude as Jesus! As a member of our community we are committed to look for new ways to serve those in need, those in want, and those who are satisfied to show the love of Christ in our community.

Third is **GENEROSITY**; because He is generous towards us, we are generous towards Him and our fellowman. Generosity is evident in the way we handle our money, our talents, and our relationships. We are generous to those around us on purpose so we devise innovative ways to give, which causes us to rise.

Fourth is **INNOVATION**; because we are made in the image of the Creator and live in the pattern that He has taught us, we are problem solvers. We live on the cutting edge of what God is doing in the church today, and we have a 'risk taker' mindset to see God's kingdom advanced in our society.

Last is **COMMUNICATION**; because God has set us free from offenses and hurts from other's actions or words, we are open and honest about our hurts and joys. We speak the truth in love and humility always looking to heal and not hurt. We are quick to listen and slow to speak examining our own hearts in all things.
